As we transition into the New Year of 2017, we are so grateful for the support of sponsors, donors, and volunteers who made the 11<sup>th</sup> annual 2016 Wilmington Fur Ball the outstanding success that it was! The 2016 Fur Ball event raised over \$27,000 that we were able to turn around and donate to animal rescue groups in our community. Both Adopt an Angel and Pender Humane Society received \$11,500 each and we have up to an additional \$10,000 from our mini-grant fund account that we will be donating to other animal rescue groups via a grant application process this spring.

Donors and sponsors make it possible for surrendered and homeless animals to find loving families to adopt them and make them a member of their family.

*“Emmett (formally known as Magnum) is loving his Furever home. We love him like we've had him forever!” Facebook post from Lisa 12/18/16*

*“Happy Junebug Adoption Day! Two years ago today she moved into our home and stole our hearts. We lost our beloved 12 year old dog, Molly, just two months ago and I was devastated. I couldn't have made it without Junebug's sweet, comforting soul. I truly can't imagine life without her. Thank you for bringing us together, and for all the wonderful work you do!” Facebook post from Angela 12/14/16.*

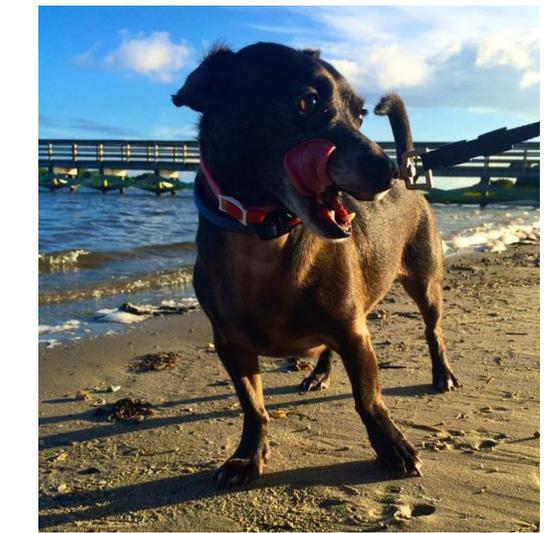

Would you be part of our community movement to help save animals just like Emmett, Junebug, and Willy? *The rescue groups that we donate this supplemental funding to are the heroes who give these animals a second chance by rescuing, rehabilitating, and rehoming them.* Please consider a 2017 Wilmington Fur Ball sponsorship or a donation for our live and silent auctions by filling out the attached form(s). All sponsorships and donations are tax deductible.

And be sure to save the date for the Wilmington Fur Ball event on November 4, 2017 at the Cape Fear Community College Wilson Center in downtown Wilmington! Tickets will be on sale starting mid-February on our website – [www.wilmingtonfurball.com](http://www.wilmingtonfurball.com).

Thank you for standing up for those who do not have a voice, and who completely rely on us for their well-being, comfort, and safety.

From one pet lover to another,

Norma Troutman  
Wilmington Fur Ball Officer
